Dear ASA Parents:

Over the past few years we have worked to provide appropriate and low cost concert locations for ASA student performances. Concerts and recitals are both an opportunity for students to celebrate their progress and share their accomplishments with our community. In the past we have been able to offer these student performances at no cost to parents. However, as you know, the education budget has become increasingly challenging. In order to continue to offer off site performances, we will need to charge an admissions fee to all performances beginning this year. The fee will directly offset the cost of the performance.

Families can either purchase a season pass or individual performance tickets as indicated in the table below:

	Individual	Family
Single Performance Admission	\$5.00	\$10.00
Season Pass **	\$10.00	\$25.00

** does not include Showcase or the 3 School Theatre productions tickets.

The Season Pass can be purchased on-line or in the Main Office. Individual tickets will be available at the door the night of the performance (cash or check only).

We want to make sure all families are able to enjoy our amazing students in their performances. Families with financial need may request a waiver from Mrs. Apperson, ASA Arts Director (apperson@goasa.org).

We continue to value student performance as an important opportunity for our students. As always, your support is greatly appreciated, and we look forward to seeing you!

Sincerely,
